Q.1. Read the following passage carefully. (5 Marks)

We cannot gain anything without effort and hard work. Some people do not work hard but waste their time in waiting for a miracle of good luck to bring luck. There is no such thing as luck or chance. It is by hard work, effort and enterprise that we can achieve success. A student can never become a scholar unless he takes pain over his studies. Even a natural genius cannot become a master of his art and achieve complete success without industry.

Q.2. After reading the passage, ask the following question based on it.
